Dear friends!

We invite you to take part or visit the XIII international scale-models and military-historical miniatures exhibition-contest in Stupino (Moscow region)!

Since 2007, we have been trying to make our event as convenient as possible for guests and participants. Over the past years, the Stupino exhibition has grown from a small competition to a full-fledged international event that is respected not only by Russian modellers, but also by our regular participants from other countries.

The exhibition-contest in Stupino is:

- Participants from different cities, regions and countries!
- Many interesting models!
- Presentations, demonstrations and workshops!
- Hobby goods fair!

The event will be held on August 10 - 25.2019 in the "Nika" Art Gallery, at the address: Russia, Moscow Region, Stupino, Bakhareva street 8.
